No v

Public Contact Information

Under Massachusetts law, emails and text messages sent or received on private accounts for public purpose are considered a public record and will need to be produced if a public records request is made that encompasses such documents. The Massachusetts Office of the Inspector General therefore recommends appointees separate their personal contact information from their public official contact information to avoid issues with archiving and responding to Freedom of Information Act Requests.

If appointed to serve, please provide the contact information you intend to use as part of your duties as an appointee of the city.
